

AAT eNews & Views Newsletter

Hello there,

Happy end of financial year, and what another challenging and fascinating year it has been. As we wrap up the 2022 financial year, I'd like to remind everyone to celebrate their remarkable achievements.

I encourage you all to take a moment and ask yourself, "is there a better feeling than when you're in business knowing you've made a living from doing what you love?" I think not!

The EOFY is a great time to get close to that incredible sense of personal achievement. I make a habit at the end of each financial year of taking stock of a few metrics:

- Income by service type
- Income by client
- Number of new clients
- Number of lost clients
- Which services and clients were most profitable
- Discretionary spending habits
